

GHULAM FATIMA

Fashion Designing Student | Textile & Visual Arts
gulamfatima312003@gmail.com | Lahore, Pakistan

OBJECTIVE

Creative Fashion Designing student at the University of Home Economics, Lahore, with hands-on industry experience at Republic Women's Wear. Skilled in textile surface design, digital illustration, and visual communication. Seeking to contribute innovative apparel design and practical textile skills to a leading fashion house or design studio.

WORK EXPERIENCE & INTERNSHIP

Fashion Design Intern — Republic Women's Wear (Jul 01, 2026 – Jul 31, 2026 | Lahore, Pakistan)

- Successfully completed 1-month intensive fashion design internship at Republic Women's Wear, contributing to apparel design and collection workflows.
- Demonstrated high design proficiency by developing creative fashion concepts, garment details, and visual assignments within tight production deadlines.
- Executed multi-tasking across design projects, working closely with senior design staff on apparel aesthetics, fabric selection, and pattern coordination.
- Received performance recognition from HR Management for exceptional design execution, punctuality, and project completion ahead of schedule.

EDUCATION

ACADEMIC & CREATIVE PROJECTS

Textile Surface Design Project — UHE Textile Design Studio (2023 – 2024)

- Developed original fabric patterns using block printing & batik, combining traditional Pakistani motifs with contemporary aesthetics.
- Applied color theory for print-ready textile designs; received faculty recognition for innovative hand-crafted techniques.

Digital Illustration & Visual Identity — UHE Graphic Design Studio (2023)

- Built complete brand identity system (logo, typography, color palette) using Adobe Illustrator and Photoshop.

Calligraphy & Typography Composition — UHE (2022 – 2023)

- Merged Nastaliq calligraphy with modern graphic design principles to produce bilingual typographic poster compositions.

Resin Art & Mixed Media Practice — Independent Studio Practice (2022 – Present)

- Produced portfolio of resin art pieces using layered pigments and embedded motifs, strengthening observational drawing skills.
